

This programme is available through institutional collaborations, and not applicable for direct applications by prospective students.

The programme is designed to prepare international students who have not reached an English Language requirement for admission to Master of Science Programmes, and to develop their English proficiency to IELTS 6.5 in preparation for postgraduate programmes offered by Singapore Institute of Management's University Partners.

This programme is developed and awarded by Singapore Institute of Management, Singapore. It aims to improve all four Academic English Language skills, Speaking, Listening, Reading, and Writing to IELTS 6.5, through two parts:

Modules	To attain Language Proficiency
Pre-Sessional English for Academic Purposes - Part One	From IELTS 5.5 to IELTS 6.0
Pre-Sessional English for Academic Purposes - Part Two	From IELTS 6.0 to IELTS 6.5

Duration & Intake

Programme Duration	Intake
9-month (Full-time)	October

Mode of Delivery

Classroom learning may comprise:

- Activities
- Exercises
- Lectures

The 9-month full-time programme is conducted face-to-face for 360 hours over 120 sessions, with 3 to 6 hours per session. Classes will be held between Mondays and Fridays.

Assessment

Students in Part One will not be formally tested but will have formative assessments based on adapted IELTS-type test papers.

Students progress in Part Two will be assessed on a weekly basis through Continuous Assessment of the four main skills. At mid-point, students will take the Mid-Course Assessment and then sit for the End-of-Course at the end of the programme.

Certification

A certificate of completion will be awarded upon successfully passing the Certificate in Pre-sessional English for Academic Purposes programme.

Admission Criteria

The CPEAP programme is designed for full-time international students from non-English backgrounds who should satisfy both the academics requirement and English Language proficiency:

• IELTS 5.5 or equivalent qualification

This programme is not open for direct application. The selection into the programme is based upon recommendation by the Admission Committee for those who have applied to the Master of Science Financial Management and Master of Science International Business programmes awarded by University of Birmingham or Master of Science Accounting and Financial Management programme awarded by University of London.

Progression

Upon successful completion, candidates will attain the equivalent of IELTS 6.5 and be eligible to further with the respective Master of Science programmes.
